

Pallet Rack *Forged in Quality*

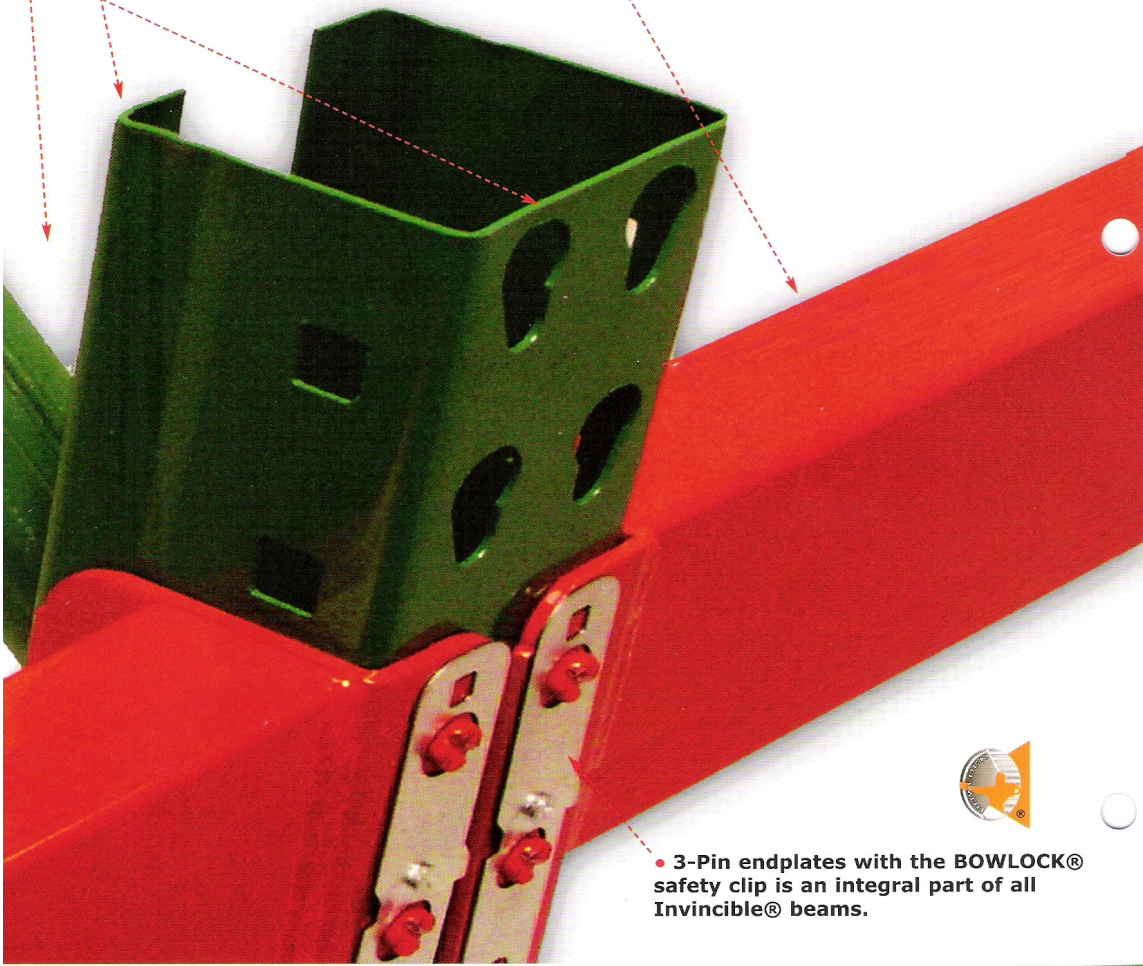

“Quality Connects Everything”

• Standard color: green uprights & orange beams (other colors available)

- Beams & uprights constructed of quality tested, high-strength steel.
- 1-1/2” wide, closed-lip, horizontal and diagonal bracing with rigidity groove.
- Premium quality polyurethane paint, the most durable on the market.
*Environmentally safe, does not contain lead.
- Industry standard open back, teardrop pattern uprights.
*Work with most other industry brands.
- Step Beam to secure deck, crossbar and other accessory applications.

- 3-Pin endplates with the BOWLOCK® safety clip is an integral part of all Invincible® beams.
