**INDUSTRIAL / WORKPLACE SOLUTIONS**

A Controlled Environment is a Safe Environment  
**SLIDING PARTITIONS • CUSTOM ENCLOSURES**

**SLIDING  
PARTITIONS**

**Safe/Vue® Custom Enclosures** are the perfect solution for controlling ultraviolet rays, noise, dust or sparks.

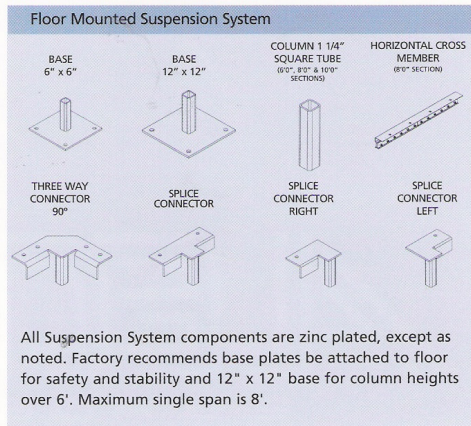

Individual strips allow easy access at any point throughout the enclosure.

A variety of colors and thicknesses are available in semi-transparent PVC which allows supervisors to monitor the activity and the safety of the worker inside the enclosure.

**CUSTOM ENCLOSURES**

- 8" x .080, 12" x .120, or 48" x .080 PVC Strips.
- PVC strips listed are available in bulk roll form. See ClearFlex II® brochure or consult factory.
- Colors available for general applications:
  - Clear
  - Blue
  - Green
  - Ambertech
  - Black (Opaque)
- Colors available for welding applications:
  - Dark Amber
  - Aztec Orange

**CUSTOM ENCLOSURES SUSPENSION SYSTEM**

The patented **MAXBULLET® SYSTEM** exclusively from **ALECO®** significantly reduces initial installation time by as much as 75% and replacement strip times by as much as 90%.

Strips snap on and off without the needs for tools, yet remain firmly locked onto the bullet-shaped studs.

**Vue® Sliding Partitions** allow maximum control over dust, noise, debris, and other hazards in the industrial workplace. Essential for use in welding shops, machine and assembly areas, Safe/Vue® Sliding Partitions help you create a safe and controlled environment.

Vue® Sliding Partitions are custom fabricated to your order specifications. Choose up to three colors for your partition. For example, specify a clear upper section, a clear mid-portion, yellow lower section (as pictured). Choose a unit made entirely of Orange to create an effective welding shield, a unit made completely of PVC to provide maximum visibility or an all-opaque unit to reduce visibility.

The Safe/Vue® suspension system allows for easy installation and utilization of the partition. Hang by threaded rod from an existing beam, simply attach to the beam itself or floor mount the entire unit.

Safe/Vue® Partitions meet Federal Standard 191.

### SAFE/VUE PARTITIONS

1/2" or 22 oz. Vinyl Coated Nylon  
 Fire Resistant - Certified by California State Fire Marshall's office  
 1/2" grommets on 12" centers. Top only.  
 Custom fabricator for special requirements.  
 1/2" diameter hook and loop fastener to join panels.  
 Welded seams.

Available in standard heights of 8', 10', 14', 16', and 18'. Others upon request.

#### TRANSLUCENT Colors Available:

- Yellow      ● Black
- Green        ● Red
- Blue         ○ White

#### OPAQUE Colors Available:

- Clear         ● Aztec Orange
- Yellow       ● Green

## SLIDING PARTITIONS SUSPENSION SYSTEM

Basic Components					
STEEL ROLLER WITH 1" SWIVEL HOOK	NYLON ROLLER WITH 1" SWIVEL HOOK	END STOPS	PULL CORD (4'0" LONG)	STRAIGHT TRACK (8'0", 10'0" & 20'0" SECTIONS)	
Threaded Rod Mounted System					
THREADED ROD TRACK SPLICE CONNECTOR	THREADED ROD CONNECTOR 90°	THREADED ROD THREE WAY CONNECTOR	THREADED ROD TRACK BRACKET	THREADED ROD EDGE CLAMP	THREADED ROD (10'0" LENGTHS)
Beam Mounted System					
BEAM TRACK SPLICE CONNECTOR	BEAM TRACK THREE WAY CONNECTOR	BEAM TRACK CONNECTOR 90°	BEAM TRACK BRACKET	CURVED TRACK 90°	
Floor Support Mounted System					
FLOOR SUPPORT TRACK SPLICE CONNECTOR	FLOOR SUPPORT 3-WAY CONNECTOR	FLOOR SUPPORT 90° CORNER CONNECTOR	FLOOR SUPPORT BASE	FLOOR SUPPORT CURVE TRACK 90°	FLOOR SUPPORT COLUMN
Wall Mounted Brackets			Ceiling Mounted Brackets		
WALL MOUNT UP TRACK SPLICE	WALL MOUNT UP TRACK BRACKET	CEILING MOUNT TRACK SPLICE	CEILING MOUNT TRACK BRACKET		

All Suspension System components are zinc plated, except as noted.

#### TIPS ON TRANSLUCENT COLOR SELECTION:

**Clear** does not offer ultraviolet protection. Recommended for non-welding applications only.

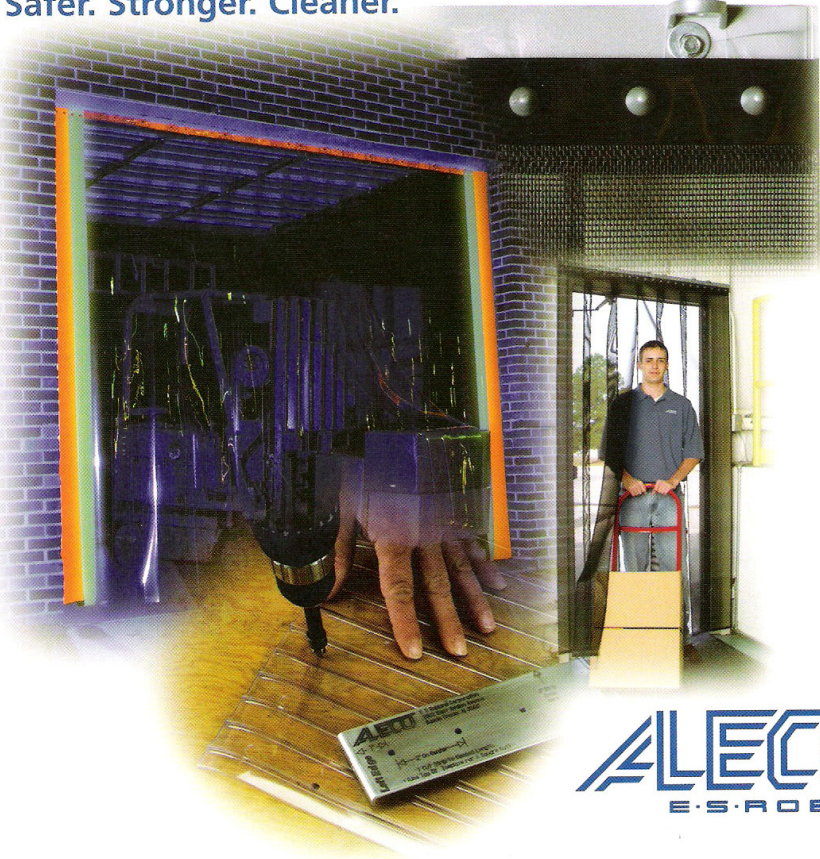

**Yellow** allows most visible light to be transmitted.

**Aztec Orange** minimizes glare from high amperage welding arcs while allowing high visibility.

**Green** is the most glare resistant and visible light restrictive.

**ALECO® offers the best solutions for  
your industrial workplace needs.**

**Safer. Stronger. Cleaner.**
