Lean Visual Aid Tools

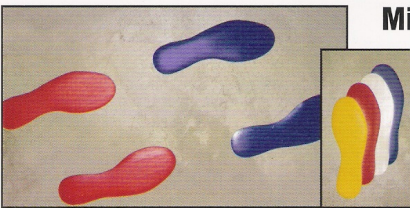

MightyLine Dots

Use MightyLine dots in areas where skids are pushed and pulled across marked floors making maintenance and replacement easier.

MightyLine Angles & T's

Our MightyLine angles and T's aid in marking the proper placement of equipment, tools, vehicles, pallets and other items on your facility's floor.

MightyLine Footprints

Keep pedestrians out of harm's way by identifying pedestrian walkways with MightyLine foot prints. Add additional security during power failures with our new MightyGlow fluorescent center-lined footprints.

Easy-on Applicator!

Our easy-on Applicator makes the job even faster. Install 1,500 feet in an hour or less. The MightyLine Easy-On Applicator is equipped with an adjustable laser and engineered with true-tracking construction, making your job a breeze. Applicator may be purchased or rented.

MightyLine *The Original Durable Stripe*

Whatever your needs, MightyLine delivers.

MightyLine floor tapes are revolutionary durable heavy duty floor tapes that are quick and easy to install, can be easily removed for plant floor configuration, and do not require production down time to install or remove. MightyLine is available in 7 stocked solid colors (yellow, white, red, blue, green, orange and black), three varieties of diagonally striped tape (yellow & black, white & black, and red & white), and three versions of 4" yellow with a black center stripe, a blue center stripe or a glow-in-the-dark center stripe. MightyLine tapes come in 2", 3", 4" and 6" widths.

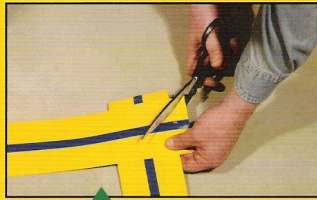

MightyGlow

MightyGlow™ features a luminescent 1/2" line centered on our 4" wide MightyLine that glows in the dark in the event of a power outage. By co-extruding a luminescent center stripe into our 4" wide floor line, MightyGlow contrasts with surrounding floor colors in normal light conditions, yet illuminates the path to safety in the dark.

Easy Installation

Just Peel and Stick!

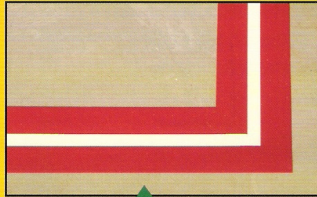

MightyLine's high-strength, double-coated tape features a removable pressure sensitive rubber-based adhesive which offers an immediate quick stick application, yet allows for easy removal without leaving residue.
